Terrace Restaurant is the ultimate venue for a wedding reception, offering you and your guests an exquisite food and wine experience within the contemporary surrounds of an award-winning restaurant.

At the Terrace we pride ourselves on tailoring your wedding reception to suit your needs. Our restaurant manager, sommelier and chef will talk you through food and wine ideas to make your special day even more memorable, and craft a unique menu matched to your preferences. On the big day itself, our professional team delivers seamless service to ensure your reception goes off without a hitch.

The Terrace caters comfortably for a minimum of 60 to 90 guests and the alfresco deck is perfect for pre-dinner drinks and mingling. As a guide it is best to budget on \$150 per head – of course, this depends on your food and wine selections.

To complete your magical day, retire to one of our 5-star Manor Suites for the ultimate in luxury accommodation on your wedding night, complimentary when you hold your reception at the Terrace.
